MANY PERISHED IN A HOTEL FIRE

Twenty Five Lost Lives When Hotel At Omaha Burned

(By United Press.)

Omaha, Neb., Feb. 28.—Five persons are known to have perished and probably twenty more lives have been lost in a fire that destroyed the Dewey hotel here early today. Three bodies have been recovered, and it was believed that nearly twenty more are in the ruins.

Although the hotel register has been destroyed, Manager J. D. Nold said that at least 50 persons were housed in the building. All available police and firemen in the city are on hands to begin a search as soon as the ruins are sufficiently cooled.

It was 10 o'clock when the fire was gotten under control.

The known dead are:

Charles Cummins, 55, a bartender, who leaped from a third story window.

Mrs. Alice Bonavue.

An unidentified man, aged 50.

A. R. Porter and Dwight Bruce.

According to the guests who escaped, the first intimation they had of the fire was when a woman's scream awakened them. The building was then filled with smoke and in half an hour it was in ruins.

Policeman Schwager carried out two unidentified women and narrowly missed being burned to death in attempting to re-enter the building. He said that at least a dozen unconscious persons were lying on the threshold of the building. Several of them were rescued by J. Foy, a broker. Of the others in the hotel little can be learned.

The work of rescue had barely started before the rotten walls gave way and fell in.

Mrs. C. E. Wilkins, who was badly burned, said she awakened her sister, Mrs. Bonavue, and found the halls filled with smoke. Mrs. Bonavue dropped unconscious. Her sister carried her to a window. Firemen rescued Mrs. Wilkins, but her sister perished.

Tina Nielson, a chambermaid, leaped from a second story window and was picked up bleeding and unconscious. Her leg was broken and she was injured internally. Shortly after she leaped, Cummins' body was found.

At least a dozen of the occupants of the hotel were women.

It is believed that the missing persons were overcome in the upper corridors.

The Dewey hotel was a three-story brick structure, situated on the corner of Eleventh and Farnum streets, and owing to its age, burned like kindling wood.

There are conflicting stories as to the cause of the fire. A night watchman saw sparks coming from the chimney and turned in the alarm. A drug clerk across the street declared he had heard an explosion, but this report is not credited.

Charles Cummins, a bartender, jumped from a third story window, striking on his head and met instant death.

Mrs. C. E. Hawkins, wife of the proprietor, also jumped, and though two policemen broke her fall, she was badly injured. The body of Mrs. Alice Bonavue, Mrs. Hawkins' sister, is in the ruins.

The exact number of the dead will not be known for some time. Two survivors declare that not more than 16 of the 50 in the hotel escaped. Late estimates place the dead at from 16 to 30. There is a possibility that others not registered were in the hotel. Twenty-five feet of debris covers the dead.

Three thousand people gathered about the ruins and watched the firemen and police digging for bodies. The property loss is placed at $200,000.

E. T. Conner, a guest, who escaped, is confident that all the frantic guests whom he saw huddled in the hallways were burned to death. The building burned so rapidly that ladders burned under firemen who were trying to rescue guests from the upper floors. Scores of fire fighters were driven back after their hands and faces had been burned to a crisp. Firemen were hampered by the zero weather. Two hosemen were unabel to remove their hands from the hose nozzle as they had been encased in ice.

LURED YOUNG GIRLS TO RUIN, RICH MEN TO BE ARRESTED

(By United Press.)

New York, Feb. 28.—That several indictments will result from the grand jury's investigation of the debauchery of young girls by a band of wealthy Brooklyn youths, was considered certain today. Sufficient evidence, it is said, has been secured to convict the men.

Several of the young men involved are reported to have fled to the west. A list of names of girls involved in various midnight auto parties is in the hands of the prosecutor.

Martha Kohler, daughter of Mayor Gaynor's former secretary, says she will not testify against the young real estate dealer who lured her to a hotel, but will tell all about the other cases.

RIOT IN REICHERATH

(By United Press.)

Budapest, Hungary, Feb. 28.—Bitter feeling between the Socialists and Conservatives in the Reichrath which has been smoldering since the riot last December, broke out unexpectedly today. Two of the members passed the lie in a debate and the fight which started soon became general. When the police and soldiers managed to restore order a dozen members were found to be injured, five so seriously that they had to be taken to a hospital, and may die. A strong guard has been placed around the meeting.

MILITIA CHANGES ORDERED BY COX

(By United Press.)

Columbus, O., Feb. 28.—Gevornor James M. Cox today, as commander in chief of the Ohio National Guards, mustered the entire national organizations out as a division, separating it into two brigades.

The immediate effect is to discharge Major General Charles Dick and his entire corps of 11 officers, except Lieut. Colonel McQuigg, who is an officer of the engineering corps.

The order means that Cox removes officers who have been all powerful in the militia during the past ten years.

The first brigade will be composed of the first, second, third and sixth and the ninth batallions, besides unattached companies C, D, F, G, H, K and, tsoinhrdlu a D, F, G, H, K and L. Brigadier General McMachem, of Toledo, will be in command.

The second brigade will consist of the fourth, fifth, seventh and eighth regiments, under command of Brigadier General Speaks.

INSURRECTION EXISTS IN WEST VIRGINIA

(By Associated Press.)

Charleston, W. Va., Feb. 28.—That a state of insurrection exists in West Virginia because of the strike of the miners in the Kanawha district was intimated by Judge George Poffenberger of the Supreme court of appeals, when he announced the decision of the court today, denying the habeas corpus writ brought to secure the transfer of "Mother" Jones and other labor leaders from the custody of the military to the civil authorities.

"We think that inasmuch as the statute says the governor may arrest and detain persons who are aiding and abetting insurrection until the insurrection is suppressed and order restored, it authorizes him to do so in such cases as this and there is not a violation of the constitutional provision against the preservation of life, liberty or property without due process of law."

The court did not pass on the right of the governor's military commission to try the accused, the state's attorney contending that that question was settled by the United States Supreme court last fall. It is expected that the trials by the military commission will begin next week after the inauguration of Governor-elect Hatfield.

BAXTER TO RESIGN

(By United Press.)

Coulmbus, O., Feb. 28.—Governor Cox said today that he understood that State Bank Examiner Frank E. Baxter had prepared his resignation and that it would be in the governor's hands shortly.

A leave of absence was granted Baxter recently, following the discovery that he had borrowed $37,000 of the funds of the defunct Columbus Savings & Trust Co., the affairs of which had been placed in Baxter's hands to liquidate.

THE NAVAL BILL.

(By Associated Press.)

Washington, Feb. 28.—All the principal items stricken from the naval bill by the House, including the two battleship provisions, were restored by the Senate naval committee with Senator Tillman the only opposing member.

The bill will be called up in the Senate tonight.

MEXICAN BANDITS TO BE SHOT TO DEATH

(By United Press.)

Mexico City, Mex., Feb. 28.—Federal commanders have been ordered to exterminate all armed bandits and not to burden themselves with prisoners. Reports from different sections today indicate that the order is being carried out.

The announcement that the government had concluded a peace agreement with Zapata, the rebel leader in the south, was hailed with joy today, as that practically ends the rebellion in the south.

Zapata's forces are to be enrolled as rurales. General Aubert, with a big force of federals, has started to meet General Villa who is heading a rebel force in the north.

(By Associated Press.)

Washington, Feb. 28.—Official announcement of the killing of Emilio Madero, brother of ex-President Madero, reported several times recently, was confirmed today in a message from Ambassador Wilson, who reported "Madero shot while leading a rebel force in the northern states."

This brings the death list of Maderos in recent trouble in Mexico up to three.

(By Associated Press.)

Mexico City, Mex., Feb. 28.—An important battle between the rebel governor of Aguascalientes, Alberto Fuentes, and government troops under General Hidalga, is expected late today. The state capital of Aguascalientes is surrounded by government troops, who last night began a siege. Governor Alberto Fuentes is entrenched in the government palace in the center of the city, the building being guarded by a force of state troops much inferior in number to those of General Hidalgo. Repetition on a small scale of the street fights in Mexico City appeared inevitable.

The isolation of Mexico City from the United States by rail was completed today.

Raymon Raimontz, who has been conducting semi-official negotiations for peace between Madero and Zapata, declared today that Zapata would surrender and co-operate with the general government.

(By United Press.)

Mexico City, Mex., Feb. 28.—The return of the exiled president, Porfirio Diaz, to Mexico within the near future, was made certain today when it became known that a group of officers had been named to go to Paris and escort the old dictator back to his own country. Diaz is at present at Cairo, Egypt.

Men now at the head of the government have assured him that his presence in Mexico would not now be a menace to the country.

Felix Diaz, his nephew, formally announced his candidacy for the presidency today. Apparently he is counting on the influence of his uncle to help him. De La Barra will be his strongest opponent.

Announcement by government officials today placed the number of dead in the recent revolution at 4,000, and final figures will probably place the list higher. General Zapata, rebel leader, who signed a peace agreement, is now working with the government to pacify the country.

(By Associated Press.)

Mexico City, Mexico, Feb. 28—Felix Diaz today formally accepted the candidacy for the presidency of Mexico offered him by a committee representing a party organized for that purpose.

FALSE, SAYS WILSON

(By Associated Press.)

New York, Feb. 28—Governor Wilson this afternoon branded as untrue the report from Havana that he had invited Cipriano Castro to attend the inauguration.

"It is unqualifiedly false," said the governor.

LATEST THAW SCANDAL WILL NOW BE PROBED

(By United Press.)

New York, Feb. 28.—District Attorney Whitman today received a transcript in the testimony of the Harry K. Thaw bribery scandal which Governor Sulzer had forwarded to him.

Having forced the resignation of Superintendent Russell of Matteawan asylum and made plans looking to the ousting of State Prison Superintendent Scott and other members of the alleged prison ring which had sold pardons, the governor decided to turn the case over to Whitman for criminal prosecution. The part that Attorney John Anhut, who received a $25,000 retainer from the Thaw family, played in the scandal is to be probed. Russell said the attorney offered him $25,000 to testify that Thaw was sane, while Anhut claimed that Russell wanted to know what "there was in it for him."

SENATORS BEGIN PROBE OF STRIKE AT AKRON

(By Associated Press.)

Akron, O., Feb. 28.—Senators Green and Howard reached here at noon and at once arranged to begin their probe of the rubber strike. Senator Seward will join the committee Monday.

Three lines of investigation will be followed. First, state accounting experts will examine the financial affairs of the rubber companies to ascertain the cost, selling prices and profit, as well as alleged watering of stock, etc.

Second, wages and working conditions and causes of discontent among the workmen will be probed. The alleged black list system, which strikers claim exists in some places, will be examined into, as well as the means used in the attempt at fighting the workers.

Subpoenas were issued by the committee today for:

B. G. Work, president of the Goodrich Company.

F. A. Seiberling, president of the Goodyear Company.

H. S. Firestone, president of the Firestone Company.

Harold Parsons, secretary of the Akron Manufacturers' Association.

F. C. Shaw, secretary and manager of the Goodrich Company.

H. F. H. Mason, vice president of the Goodyear Company.

Works, the committee learned, left for New York last night and left no word as to when he will return. He is the biggest man in the rubber business in the country.

(By Associated Press.)

Columbus, O., Feb. 28—Members of the state board of arbitration who returned from Akron today where they have been investigating the rubber workers' strike, told Gov. Cox that the manufacturers said they would negotiate with the strikers individually but that they refused to deal with the International Workers of the World. It is reported that several strikers had been reinstated.

NEWPORT, KY., MURDER.

(By United Press.)

Cincinnati, O., Feb. 28.—Mrs. Mayme Nickelbeck, 43, was shot to death in her home at Newport, Ky., today and the police with a posse of citizens are seeking a man named Fred Sauerbeck, 28, a bartender. The woman, it is said, was accused by Sauerbeck of causing her husband, a saloonkeeper, to discharge Sauerbeck.

PANAMA NOTE DELIVERED.

(By Associated Press.)

Washington, Feb. 28.—The rejoinder of the British government to the last American note regarding the Panama zone toll question was delivered today to Secretary Knox by Ambassador Bryce. Though naturally of great interest to Knox, he will make no effort to consider it.

Negotiations on the American side will be left to his successor in office.

HIKERS AT CAPITAL FRIDAY

(By Associated Press.)

Washington, Feb. 28.—Rosalie Jones and her suffragette followers arrived here shortly before noon today. They marched through the capital grounds down Pennsylvania avenue with an escort of local enthusiasts, who fairly choked the streets and delayed traffic. It was one of the most remarkable street demonstrations ever held in this city.

COLUMBUS PAINTER IS FOUND DEAD

(By United Press.)

Columbus, O., Feb. 28.—Mystery surrounds the death of Jacob Anthony, 41, a painter, whose body was found along the banks of the Scioto river this morning. His overcoat and cap were found 75 feet away and his necktie, which had been torn from his collar, lay beside the body. He had been missing since Tuesday.

ABOLISHED EXAMINERS

(By United Press.)

Columbus, O., Feb. 28—The senate this afternoon passed the bill abolishing the examination of county offices by men appointed by the probate judge. This will mean a saving of $6500 a year in examiners' fees and an immense amount in advertising their report.

INVITED BY WILSON.

(By Associated Press.)

Washington, Feb. 28.—American Ambassador Beaupre, at Havana, Cuba, telegraphed the state department today that Cipriano Castro, former president of Venezuela, announced he had been invited by President-elect Wilson to attend the inauguration. He will leave Saturday for Washington and will return to Havana a few days later.

WILSON HAD NARROW ESCAPE FROM BROKEN RAIL ON THE PENNSY

(By United Press.)

Philadelphia, Pa., Feb. 28.—The discovery of a broken rail in front of the railway station at Tacony, Pa., saved the Pennsylvania train on which President-elect Wilson was riding to this city, from a serious wreck. A train ahead of Wilson's had broken out a piece of rail 10 inches long. It was discovered five minutes before the Wilson train arrived. Wilson's train was held up for 10 minutes and then detoured.

WEBB LIQUOR BILL VETOED BY TAFT

(By Associated Press.)

Washington, Feb. 28—President Taft in a special message to congress this afternoon vetoed the Webb bill to prohibit the shipment of intoxicating liquor into dry territory.

Questions of constitutionality was the president's principal consideration in his veto.

Before President Taft left the White House today to attend the cabinet meeting he took up his veto of the Webb bill prohibiting the illegal shipment of liquor into dry states. The President, Attorney General Wickersham and most of the lawyer members of the cabinet, the senate and house have held the bill unconstitutional and the veto was issued largely from that angle.

Steel Company Has Raised Men's Wages

It was learned Friday that the Portsmouth Steel company has just granted all of its common laborers a handsome increase in salary, effective Saturday, February 22.

The increase will affect fully 800 men and in a year's time will amount to at least $35,000, which is considerably over the amount just raised for the Portsmouth Steel company to provide the company with a site for its proposed new finishing mills.

VIRGINIA LAND IS CLAIMED

(By Associated Press.)

Washington, Feb. 28.—In an opinion to President Taft, Attorney General Wickersham today declared he felt unable to begin proceedings in the Supreme court to turn back to the District of Columbia, territory across the Potomac, now part of Virginia. Mr. Wickersham did not agree with the agreement with which Congress restored the territory to Virginia, and said Congress had no right to do so. Concluding, he said:

"Aside from this it appeared to me that it is a matter which should be left to the next administration."

Mr. Wickersham declared further that he believed that Congress might at any time remove the capital to any place it deemed expedient.

FREE PRESS IS UPHELD BY SENATE

(By United Press.)

Columbus, O., Feb. 28—The Ohio senate today took a decided stand in favor of free speech and an untrammeled press when by a vote of 19 to 9 it passed the Hillenkamp resolution denouncing a "spirit of intolerance against the constitutional guaranty of free speech and free press." The resolution called upon congress to investigate the prosecution by contempt proceedings of public speakers and editors and to pass laws to prevent any further abuse of this constitutional right.

Senator Dollison, in opposing the resolution, expressed the fear that its adoption would be upholding dishonest labor organizations.

The senate also passed the bill making the minimum membership of school boards five and the maximum membership seven, all to be elected at large.

WOOTEN FACES TWO CHARGES OF MURDER IN FIRST DEGREE

Two indictments, each charging first degree murder, were returned against Oscar Clarence Wooten, of Wellston, Friday noon by the local grand jury. One bill charges him with the premeditated murder of Lot McCumber, and the other with a similar offense on Myrtle Wooten, his wife, on the night of February 15.

In addition to these two bills, the grand jury, after a session lasting a day and a half, returned three other indictments. The two made public are against Frank Holt, James Arthurs and Everitt Thorn, charging them with breaking and entering an N. & W. box car, and Noah Holt, charged with pocket picking.

During the probe of the Wooten case, several out of town witnesses appeared before the grand jury. Mrs. Myrtle McCumber, divorced wife of the slain man, Lot McCumber, testified. She was accompanied by her mother, Mrs. Lottie Sprinkles. Both are from Wellston.

Chief of Police Ward, of Wellston, and John Stamper, of Wellston, were included among the out of town witnesses. Stamper conducts the cobbler's shop in Wellston, where Wooten remained in hiding all night the Sunday night after the shooting, and where Sheriff Turner, of Jackson county, placed him under arrest. Fred Shope and John Fisher, to whom Wooten told his story of the killing at South Webster, also testified.

With the indictments returned against Wooten, the legal stage will be cleared for the battle in which Wooten's life will be at stake. Prosecuting Attorney Horace L. Small is to engage assistant counsel to handle the case. It is generally thought Attorneys George W. Sheppard and A. Z. Blair will defend Wooten. Relatives of Wooten in Wellston have agreed to employ Attorney Sheppard, while Albert Wooten, the prisoner's father, of Gallipolis, has engaged Attorney Blair. Prosecuting Attorney Horace L. Small expects to announce his assistant at a later date.

In order to give attorneys on both sides ample time to prepare for the case, Wooten will not be placed on trial for a month. No definite date has been set by the court, but the trial will probably come up the latter part of March or the first of April.

During the recess Friday morning, the grand jurors visited Jack Wooten at the county jail. None of them talked to him, but many saw the prisoner for the first time.

Thirty-three witnesses were examined at the session of the grand jury just closed. When it reported, the court excused the jurors until further order.

The charge of pocket picking against Noah Holt grows out of his alleged theft of a watch, chain and Masonic charm, valued at $30, from Arthur P. Bagby on February 11.

Charges of breaking and entering against Frank Holt, James Arthurs and Everitt Thorp grew out of their alleged breaking into an N. & W. box car on January 15, and taking $15 worth of goods.

Don't Look This Way When ZEMO Will Cure You of Pimples and Blackheads, Surely and Quickly.

ZEMO is a clean, antiseptic solution, not a greasy paste or ointment. You simply apply it on the afflicted part—your pimples, blotches and blackheads, all eczema, acne and rashes, prickly heat, itch, tetter inflamed or reddened skin all disappear. It also cures dandruff, which is scalp eczema. ZEMO is guaranteed to stop itching immediately. It gives instant relief.

"I have had wonderful benefit from your famous ZEMO for the skin. It cleared my face completely." Albert G. Rigsby, Pine, St. Louis, Mo.

Traveling In Sou'h America

Ralph Marting, who recently went to Panama, was in Barvados, South America, Thursday. He has been in Venezuela several days this week. Mr. Marting will reach New York March 9, and will spend several days there before returning home from a most delightful trip. He spent a week in the Canal Zone.

Mr. Glidden Prospering

Charley Glidden, a former mayor of Portsmouth, is now engaged in the paving brick business in Birmingham, having given up the steel business. He has been made secretary of the Graves Shale & Paving Brick Co. One of his sons is in the steel business and another is on the road for Heinz & Co. of Pittsburg.

EXCITED BY MAD DOG SCARE

The villages of Gephart's and Sloama station were thrown into a fever of excitement by a big mad dog scare Friday morning.

A big black and white hound frothing at the mouth was the cause of the excitement. Dogs belonging to Hershel Knight at Gephart's and Frank Hall, John Cook and Frank Adams at Sloama's were bitten. The dog ran the five mile distance between the two places in 20 minutes. Jim Yeley and Joe Coghill broke from the funeral procession of Fred Weidner's mother, to give chase but were unable to overtake the dog which was finally killed by Herman Hansgen with a shot gun.

Deal Not Closed.

It was rumored Friday that the Excelsior Shoe Company had closed its deal for the Webb Lumber Company's property on Gallia street, but it was denied by John T. Williams.

Released To Go To Brother's Funeral

Unconscious of the fact that a brother had just died Tom Moore drifted back to Portsmouth Thursday night and a few hours later was picked up in a maudlin condition by Officer Hayes Puckett.

Moore did not learn that his brother, John, had succumbed to tuberculosis until Chief Philipps released him Friday morning to enable him to attend the funeral, telling him to return when sent for.

Tilden Skaggs when arraigned on a charge of wife beating, Friday morning, insisted upon having a lawyer, and as Mrs. Skaggs had taken ill and was obliged to return home, Mayor Tynes continued the case until Monday. Skaggs only recently completed a workhouse sentence for assaulting his wife. He attempted to strike her again Thursday night, even after Officers Flowers and Nance had reached the home on Twelfth street, in response to a hurry call.

James Hayes, the Idaho, Pike county product, who was found in an almost frozen condition in an East Fourth street yard, following an all night's carousal, was turned adrift Friday morning, as he had money with which to pay a fine.

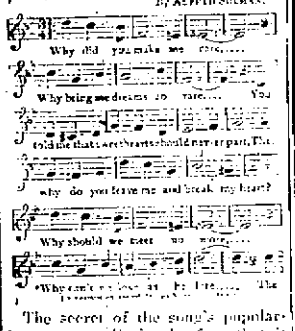
NEW YORK HAS A NEW SONG CRAZE

It Is a Sad Love Ballad With Rather Pretty Music.

The man who wrote the recent song hit, "Mine!" one Alfred Solman, has just penned a new ballad on the order of "Silver Threads Among the Gold," which seems to be all the go in New York. It is a simple love affair, called "Why Did You Make Me Care?" and is full of that so-called heart sentiment which women like, no matter how sad the text. Here are a few bars cut from a copy of the music just received:



The secret of the song's popularity seems to lie in the fact that it is aimed to bring out the voice, containing a number of very odd harmonies, although no high notes. It is also out for male and female quartets.

The song threatens to become a fad in Portsmouth shortly. adv

Guest Of Relatives

While in the city as a witness before the grand jury in the Wooten murder case, Chief of Police M. D. Ware, of Wellston, was the guest of his brother-in-law, A. L. Forrest, of Franklin avenue. The chief returned to his home in Wellston Friday afternoon.

Texas Is Quiet

J. E. Jordan, real estate man, located in the Masonic Temple, has returned from San Bernito, Texas, where he has several thousand acres of land for sale. He was accompanied to Texas by Dr. Chabot and Mr. and Mrs. W. C. Bussa. Dr. Chabot returned with him, but Mr. and Mrs. Bussa stopped off at Dustin, Okla., to spend a few days with Martin Cook and family, formerly of this city.

Mr. Jordan states that so far as Texas is concerned there was but little excitement over the recent rebellion in Mexico. As a rule, he says, Mexicans make themselves pretty scarce when it comes to crossing the border, as Texans have but little use for them and the killing of a "greaser" is usually followed by a fine of $4.80, providing, of course, he happens to be killed in the states.

Prof. Mastropaolo's orchestra has been engaged to render a musical program during the hours of Anderson's spring opening, which will be held next Thursday night, from 7 to 10 o'clock.

FOOD SOURING, INDIGESTION STOMACH SICK?--CASCARETS

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means your stomach is full of sour bile—your liver is torpid—your bowels constipated. It isn't your stomach's fault—it isn't indigestion—it's biliousness and constipation.

Try Cascarets; they immediately sweeten the stomach, remove the sour, undigested and fermented food off the constipated waste matter from the bowels. Then your stomach trouble is ended. A Cascaret tonight straightens you out by morning.

OBITUARY

Herman Rost.

Mrs. Fred Kemmerer, of Fourth street, received word Friday of the death at Denver, Colo., of a cousin, Herman Rost, aged 50, a prominent retired business man of that city.

Mr. Rost had been suffering with enlargement of the heart. Fate decreed that he should die in the arms of his only relative in Denver, Mrs. Gertrude Bengel-Brown, wife of C. E. Brown, formerly of this city. Mr. Rost's wife was distracted over his critical condition, and so Mrs. Brown was attending him. He was unable to take to his bed, and it was while Mrs. Brown was administering to him that he expired. Besides the wife he is survived by one son, Clarence, and one daughter, Greta, who after completing a five-year vocal course in Philadelphia, was filling an opera engagement in that city when taken suddenly ill with la grippe and bronchitis, which precluded her attending her father's funeral, which was one of the largest ever held in the Colorado metropolis.

J. W. Moore Funeral.

The funeral of John W. Moore, decorator and painter, who died after three years of suffering with lung trouble, will take place from the home of his brother, Will H. Moore, of Dexter avenue, Saturday morning at 11 o'clock, so as to give the Oak Hill lodge of Odd Fellows, of which he was a member, an opportunity to attend. More is survived by his wife and five children, of ages ranging from 5 to 13 years. The children are inmates of the Odd Fellows' home at Springfield, Ohio.

Funeral of Mrs. Compton.

The funeral services of Mrs. Mary Ann Compton were conducted Friday afternoon at the Friendship church and were attended by a large number of friends. The services were conducted by Rev. Alexander.

Mrs. Compton was, before her marriage, Miss Mary Ann Bridwell, sister of William and Samuel Bridwell, well-known residents of this city.

Mrs. Susie Sharp

Mrs. Susie Sharp, wife of Benjamin Sharp, died at her home in Clinton Furnace Thursday afternoon after a long illness. The funeral services will be conducted Saturday afternoon at Mt. Vernon Furnace. The remains will be interred by Undertaker McCurdy of Wheelersburg. Mrs. Sharp was 30 years of age and is survived by her husband and six children.

Baby Dies.

Grace Louise, the 5-months old daughter of Ed Irwin, a foundryman, of No. 1209 Clay street, died Friday afternoon of pneumonia. The funeral will take place Sunday morning at Harrisonville, with interment in White's cemetery.

SPECIAL NO. 5

This is the last special for this week. It is an Axminster Rug and the price is more than good. One man happened to see this rug in the window of the Hansen Furniture Company and said he had one at home just like it that he paid $5.50 for. Well, Special No. 5 for Saturday only is a 36x72 Axminster Rug in Persian and Floral designs. They claim to have only 75 in stock and the price of them will be $2.85. They are surely excellent patterns and the price is just about half what they usually sell for. How many times have solicitors come to your homes and asked six and seven dollars for this same rug on payments? Wouldn't it be good advice if you go down to Hansen's store tomorrow, get one of these rugs for $2.85 and use the rest of the money for something else. adv

VULCAN CO. WINS, SELLS PATENTS

A deal was closed Friday whereby the Vulcan Box Toe Process Company disposed of all its patent rights on electric vulcanizers to the United Shoe Machinery Company.

The deal includes eight or ten patents, both United States and foreign, and embodies the entire field of box toe dryers.

The electric vulcanizers of the local company are in use at the Irving Drew, Excelsior and Brodt shoe factories of this city and in the East, Chicago, Cincinnati and St. Louis. They are on a rental basis and were really the foundation of this company, which has fought litigation in the federal courts and patent office for the past five years before finally winning out.

The property bought by the United Shoe Machinery Company involves perhaps the largest sum ever paid for patents in Portsmouth, and runs up into the thousands. The vulcanizers are the invention of William J. Burke and Captain Adam Buch. The preliminaries of the deal were arranged here by Sam Ross, of Cincinnati, western manager of the shoe machinery company, and the deal was closed at Boston, Mass., today, William Questel, secretary of the Vulcan Company, being present.

The sale will not affect the continuance of the company's shoe last business. The last factory, which now has 67 men on its payroll, will close down this evening until Monday, when a new season will be started with plenty of orders to insure an uninterrupted run.

Charles L. Murphy and "Bud" Brown pleaded guilty before 'Squire Byron Friday afternoon, to shooting wild ducks out of season. They confessed that they killed a wild duck on February 24, and were fined $25 and costs. The warrant was sworn out by C. C. Acton, game warden.

Will Soon Begin On Factory

Just before leaving for Columbus Friday afternoon to confer with the officials of the Eid Construction Co., Irving Drew confided to The Times that ground would be broken within the next two weeks for the Irving Drew Shoe Co.'s new six story factory addition. Mr. Drew will remain in Columbus over Saturday.

In the will of the late William Preston Sheets, of Jefferson township, probated in court Friday, the wife, and in case of her death, the two sons, Henry Lewis Sheets and Harvey Anderson Sheets, are bequeathed the property. The two sons are named as executors without bond. The property consists of two forty acre lots in Jefferson township.

Attorney Hayward D. Gatch, of Cincinnati, who was appointed to take the deposition of Dr. G. L. Vallet was formerly a dentist located in this city in the Dice building.

SHOT AT MAN.

A. L. Daniels, a Carter county, Ky., man, was arrested by the police late Friday afternoon at 830 Prospect street, charged with attempting to shoot Ora Tussey. It is claimed that Daniels fired several shots at Tussey's feet.

REFUSED A NEW TRIAL

Judge Middleton, Friday afternoon at a short session of court, held in this city, overruled a motion put by Attorney J. C. Kohl, of Cincinnati, for a new trial in the case of the Selby Shoe company against the Philadelphia Casualty company. The case will probably be taken to the circuit court.

In the absence of Attorney Henry T. Bannon, Attorney Arthur H. Bannon appeared for the local firm.

Dr. and Mrs. E. C. Jackson went to Cincinnati Friday to attend the Shriners' meeting and auto show. Others attending the former meeting are Harry Johnson, Coles Peebles and Grant Williams.

Fred Hunter has rented the vacant room adjoining the Schuler Hotel building and will establish a branch shoe repair shop there. Mr. Hunter is a hustler and is enjoying a big patronage at his Chillicothe street shop.

ROBBED FOR 4TH TIME

For the fourth time within a month thieves Thursday night visited the Malavazos candy shop in the waiting room in Millbrook park. They stole two pails of candy, several boxes of cigars and considerable chewing tobacco. Chris Malavazos stated today that they got in the same way, by breaking a window and made the same haul that they did on their previous visits, which are proving quite costly.

Spring Styles

We are certainly showing "some" line this Spring in Ladies' Garments. Beauty of design and durability of fabric are surely combined in each and every one of our new garments. As usual, we are right on price, too. For instance, we have an All Wool Serge Suit lined with real Peau de Cygne, cut in the new English plain tailored design, plainly tailored (haircloth front and patented shoulders,) that we are offering at $12.50. And all our other garments are at the same ratio. Come in and look them over. To complete a good dinner —a Knox Gelatine Dessert

After the heavy dishes of a dinner, there is nothing so fitting or so appreciated as a light, sweet dessert. You will give your guests the right, delicious and satisfying morsel, when you serve one of the Knox Gelatine desserts. Try this for tonight's dinner—

Knox Spanish Cream

1 envelope Knox Sparkling Gelatine, 3 eggs, 1 tablespoonful vanilla, 1 quart milk, 6 tablespoonfuls sugar.

Soak gelatine in milk. Put on fire and stir until dissolved. Add yolks of eggs and four tablespoonfuls sugar well beaten. Stir until it comes to the boiling point. Remove from fire and have whites of eggs well beaten with four tablespoonfuls sugar. Add vanilla, stirring briskly until thoroughly mixed. Pour and turn into mold. If desired, serve with whipped cream. This will separate and form a jelly in the bottom with custard on top.

Two Packages—Plain and Acidulated. Both Making Two Quarts (½ gallon) of Jelly.

With the Plain Sparkling, lemons are used for flavoring; but with the Acidulated package comes an envelope of concentrated lemon juice—a great convenience when too busy to squeeze lemons. Both contain a tablet for coloring.

Let us send you the Knox Recipe Book and enough Gelatine to make one pint

—enough to try most any one of our desserts, wonderful, delicious, jellies, ice creams, sherbets, candies, etc.

Mailing book free for your grocer's name—pint sample for 2c stamp.

March—Birthstone: Bloodstone. Flower: Violet

"Who on this world of care their eyes
In March first open shall be Wise;
In days of peril Firm and Brave,
And wear a Bloodstone to their grave."

The Bloodstone has always been the center of much legendary interest. It is hardy, tough; yet, carved with facility, it is especially adapted to signet rings.

The Bloodstone is a dark green variety of quartz, covered with numerous small red spots, or blotches, and varies somewhat from transparent to opaque. It is found in Siberia, East India, China, Canada and the United States.

The ancient Greeks believed that the Bloodstone, when rubbed with the juice of heliotrope, would render its wearer invisible.

Today it is worn to bring wisdom and courage to those born in March. Solid Gold Rings with Bloodstones $2.00 to $15.00.

N. & W. FREIGHT WAS HELD UP

Three masked men, two of whom are said to be John Hatfield and Cleve Cline, held up No. 85, a fast N. & W. freight train at Alwick, 30 miles from Williamson, Thursday night at 11 o'clock, relieving the crew of all their valuables and paralyzing business on that division of the N. & W. for seven hours. The train, which was in charge of a local crew, was passing through a deep cut, when the bandits, waving red lanterns, caused the engineer to reverse the brakes and bring the train to a stop. The bandit said to be Hatfield jumped aboard the engine, covering the engineer and fireman with guns he held in either hand. The other two hopped the caboose and overawed the crew, who immediately handed over all their valuables and money.

The bandits then corralled the crew, which they forced to huddle together in the caboose, two of the robbers standing guard.

The other bandit then cut the telegraph and telephone wires. Receiving no word from the train Trainmaster Harry Weller, of Bluefield sent orders to stop all traffic on the division. Word was finally received at Bluefield of the hold-up and at 5 o'clock Friday morning Trainmaster Weller headed by Sheriff Greenway Hatfield and accompanied by twelve Baldwin detectives boarded a special train and started for the scene. When the special was sighted the bandits compelled the crew to cut the train and the bandits were hauled four miles east where the bandits took to the hills.

The posse was in close pursuit and it is said more than 100 shots were fired; but whether any one was injured or captured is not known.

QUICKLY CURES THE WORST BACKACHE

Makes Kidney Troubles, Bladder Disorders and Rheumatic Pains Vanish.

It is no longer necessary for any one to suffer with backaching, kidney trouble, have disagreeable bladder and urinary disorders to contend with, or be tortured with rheumatism, stiff joints, and its heart-wrenching pains, for the new discovery, Croxone, quickly and nicely relieves all such troubles.

Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves and makes the kidneys sift out and filter away all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired and run down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.

KENTUCKY STORE BURNS TO GROUND

The general store of J. F. Greer, located just over the Morton hill in Kentucky, about three miles from Fullerton, was completely destroyed by fire Friday afternoon. The store is located at a small settlement known as Joseph postoffice, and Mr. Greer, the proprietor, was also the postmaster.

The origin of the fire is unknown. There was an entertainment this afternoon at the school house nearby and Mr. Greer had closed his store to attend the celebration. Most of the other people of the vicinity were also at the school house and the store, catching fire, had been almost destroyed before the blaze was discovered.

The building, its entire contents, money and other valuables, and postoffice supplies, were all destroyed. Mr. Greer carried a stock valued at over $2,000, and it is understood that about $100 worth of postage stamps and a small sum of money, together with the books and accounts, were all consumed.

SOCIETY

The Times' Birthday Calendar

It Tells You Your Future if You Were Born on This Day—

IF THIS IS YOUR BIRTHDAY

Distractions, though pleasant, will cause your judgment to waver and some dilemma will soon confront you unless you take heed. Journeys or removals seem unpropitious.

Those born today will make friends among clever and accomplished people, and will strive to equal them. This tendency should be encouraged by their guardians. Indolence should not be tolerated in these children.

One hundred and fifty men and women were present last evening at the "experience social" in the First Presbyterian church, given by the Ladies' Aid Society. The members present reported sixty-five dollars earned and there are a number of members yet to be heard from. A short program included a piano duet by Miss Emma Dellert and Miss Edna Wilhelm; a solo by Mrs. Roy Lynn; a vocal duet by Mrs. Lynn and Mrs. Charles Storck, and a reading by Miss Katharine Moeller.

The dinner tonight is a farewell to Mr. Pake, who leaves Saturday on a C. & O. train for Charleston, to take up evangelistic work in the coal fields. The name "McMahopa" was coined by taking the first two letters of each member's name and joining them.

C. Bennett, Earl Wendelken, Nettie Wheeler, Sarah Howe, Jones and Boyd; Misses Mary Margaret Fuller, Bertha Rueppel, Flossie McDaniels, Mame Weakley, Bertha Modmer, Mabel McCoy, Dee Marquette, Frances Porter and Floy Hammond. Some of the noted suffragettes of the world will be impersonated by several of the girls. A welcome guest at the party will be Miss Frances McCorkle, the field secretary, who is coming on from Newark to spend a day or two at the Y. W. C. A.

Mr. and Mrs. Samuel Morton, of 1815 Seventh street, entertained a few friends last evening at their home, as a farewell social courtesy, to their sister, Miss Elizabeth Morton, who has been residing in this city for the past three years with her brother and sister-in-law, Mr. and Mrs. A. Morton, of 1532 Third street. Miss Morton will leave on March ninth for Pittsburg, Pa., to reside with her sister, Mrs. Charles D. Martin.

Today's Beauty Recipes

By Mme. D'Mille.

"Mother's Salve is a splendid remedy for chaps, cold sores, pimples, eczema and skin eruptions. It is antiseptic and is an ideal application for any abrasion of the skin. It is healing, cooling and soothing.

"Thin and scrawny women who desire to take the Vaurair home treatment for plumping the figure should make a syrup of 1½ ounces sugar and a gill of water, into which is stirred an ounce of gallol. Take two teaspoonfuls before meals. This treatment restores symmetry of form; but is not a fat maker.

"In most cases of baldness and falling hair, everything points to a parasitic origin of the disease. Mother's Shampoo removes these parasites, but is not harsh in action. It makes the hair fine and fluffy. Mother's Shampoo is sold by druggists for 25 cents a package of ten shampoos.

"An ideal complexion beautifier is easily made at home by dissolving in a half pint witch hazel an original package of mayatone. This should be applied in the morning instead of face powder. It makes the skin soft and smooth and corrects spotted, sallow and muddy looking complexions.

"Superfluous hair on face or forearms is removed quickly and safely by a single application of delatone. Make a paste with a little water and powdered delatone, cover the hairs, leave on two minutes, then remove and wash the skin. The hairs will be gone."

DIGEST this! A pound of coffee costs thirty-five cents—and makes thirty harmful cups. But a large twenty-five cent can of Rona makes sixty-four healthful cups.

Next time you make chocolate cake, icing, fudge, etc., substitute Rona for grated or melted chocolate. As it's richer in the chocolate flavor use a little less of it—and greatly improve the product.

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Miss Wise—Please give me a receipt for fruit salad. N. Y. Z.

Cut up any fruits desired—oranges, apples, canned pine-apple (drained) and malaga grapes or cherries. The pineapples should be cut into dice; the oranges should be peeled, seeded and sliced very thin; the grapes seeded, and both the grapes and cherries halved. Drain the fruit as dry as possible, then mix with an equal quantity of chopped nuts, place on lettuce leaves and serve with mayonnaise dressing.

Dear Miss Wise—My face flushes extremely red and burns like fire at different times. What can I do? Thanking you in advance for any suggestion you may offer. Ignorant.

You ought to be glad you don't turn green.

Miss Dolly Wise—I am a young man and am in love with a girl that loves another fellow better than she does me. I love this girl dearly, but she seems to think more of this other fellow than she does of me. I think that her father objects to her keeping company with me. I love her so that I am always thinking of her when at work. Please advise me how I may win her back. Jack W.

Don't try to win her. Let the other fellow have her. I think the girl doesn't care for you and is showing you in a manner that is far from considerate that she doesn't wish your attentions. Don't pursue her with them; there are so many other girls who are nice. Perhaps you may learn to love one of them.

Dear Miss Wise—I have been corresponding with a fellow in Cincinnati for some time. Recently I had him come up to see me and had a girl friend at my house to meet him also. When he arrived he looked just like a tramp and my girl friend made fun of him and teased me about him. I don't know what to do about it. Please advise me what to do. Broken-Hearted Girl.

Would advise you to be careful who you correspond with in the future. You had no right to correspond with, and invite a fellow you had never seen to come and call on you. I think you got just what was coming to you.

Dear Miss Wise—Is there any way of removing stain from a blue serge skirt? I have tried white vinegar, turpentine and benzine without results. F. K.

Spone the serge with lukewarm water such as is used in the laundry. While it is still damp press under a thin cloth. Or wring out a woolen cloth that has been dipped in hot water and lay over the serge. Press with a hot iron, but not until the stuff is dry. Leave it steaming.

Dear Miss Wise—Would you please suggest something nice to give my little nephew for a present? He is one year old. Auntie.

A $5.00 gold piece to put in his bank would be nice.

Dear Miss Wise—I embroidered a white cashmere cap and got a few finger marks on it. How can I clean it, as I want to give it for a birthday present. Mrs. A. M.

Sprinkle with Fuller's earth and lay away for a few days. That may take it out.

Dear Miss Wise—What is good for aching feet? Mine hurt terribly, just as soon as the weather warms up. Mrs. M. C.

Bathe them morning and evening in warm salt water. Sprinkle talcum powder in your shoes. Are your shoes a comfortable fit? If you have two or more pairs of shoes, change your shoes two or three times a day. Any kind of cloth shoes are better than leather in hot weather. Canvas is excellent. Have you ever tried wearing moccasins in the house? They are excellent for tired and aching feet.

Dear Miss Wise—Will you please tell me the best way to extract pecan meats from the shells nearly whole or in halves. M. F.

I know of no way except cracking the shell gently so that the meat is not crushed or broken. With care and patience remove the shell and you will be able to preserve the halved nut meats intact. I do not think that the whole meats can be extracted.

Dear Miss Wise—I am having a white coat made. Would pure white, black velvet, or black and white checked be the best? Also, how can I clean a light blue messaline dress? Lizzie.

Black velvet would be best. Send it to a professional cleaner.

C. & O. CLERKS ORGANIZED AT ASHLAND

About seventy C. & O. clerks of cities nearby met Wednesday night at Ashland, in the Odd Fellows' building, for the purpose of organizing a Brotherhood of Railway Clerks. U. Neugen, C. & O. weighmaster at Russell, was chairman of the meeting. Though all the preliminaries were arranged, the permanent organization was not fully completed and a meeting will be held next week for this purpose.

Representatives from Winchester, Ky., Russell, Ashland and other cities were present. There were about thirty-five from Russell alone.

This organization of clerks is something new in this section of the country, but the promoters expect it to become as strong as the other organizations of railway men.

LOCAL MEN ARE WITNESSES

The Bluefield Telegraph, of Thursday said that J. Q. Payne and J. L. Benn, of Columbus, and J. Kemp and L. Roberts, of Portsmouth, passed through Bluefield last night on train No. 16, en route to Roanoke, where they were summoned to appear before the United States court, in behalf of the defendant, in the damage suit of Rush Edwards against the Norfolk and Western. Mrs. Edwards brought the suit, alleging that her husband had been injured mentally in the wreck of train No. 16 in tunnel No. 5, which occurred a year ago last Christmas, in which four mail clerks were killed. Mr. Edwards was the express messenger and so serious were his injuries that he has been confined to the hospital practically ever since the wreck occurred.

JR. O. U. A. M. INITIATION

William Huddleson, Harold Martin, Paul Belman and Arthur Blake were initiated into the Junior Order of United American Mechanics at their meeting in the Haldeman building, Thursday night. Five applications were acted upon. Tonight final preparations will be made for the trip to Stockdale Saturday night, when the local degree team confers the initiatory rituals on a class of twenty candidates. Those who expect to make the trip from Portsmouth will be provided with rigs. An effort to secure automobiles was unsuccessful, and for want of other conveniences the old reliable horse and buggy will be used.

BUICK AGENTS BANQUETTED

The Buick Automobile Company entertained their Ohio agents in Cincinnati Thursday, and among the guests was R. Stanley Prichard, of this city.

After inspecting the automobile show from "Welcome" to the "Rear Exit" sign, they adjourned to the Havlin Hotel, where they sat down to an elegant dinner. Covers were laid for 75 guests and the dinner was an enjoyable affair. The atmosphere fairly sizzled with automobile talk, and a number of cars were dismantled and re-assembled to the complete satisfaction of the guests.

OBJECTS TO PATROL RIDE

Portsmouth, Ohio, Feb. 25, 1913.

Editor of the Times—Please allow me a space in your paper to convinring that peace about us having a row. My daughter's husband's name is John O'Rourker instead of Tom and the police that was out here to see about its never said anything about a patrol. When ever they want me down there I can walk. I don't need to ride.

Place pur its in the paper just as it is wrote.

To Leave On Trip.

Weston Corson will leave next week on an extended trip through the East, in the interest of the H. B. Joslin Shoe Company, of Oxford, Mass. He has represented this firm for several years.

MRS. LUCIEN P. SMITH TO SUE FOR DAMAGES

Huntington, W. Va., Feb. 28.—Suit has been filed by Mrs. Lucien P. Smith, whose husband perished in the Titanic disaster, against the White Star Steamship line, for damages. Her case is in the hands of New York attorneys, who also have in charge the majority of actions which arose out of the destruction of the monster ocean liner.

These suits demand an aggregate of $10,000,000 damages. By a decision of the supreme court of appeals, relatives of the victims of the sea tragedy can file action against the steamship company. The decision was reached two days ago after a long contest in various courts, and the claim of Mrs. Smith, who is the daughter of Congressman James A. Hughes, will be included in the list of cases to be handled by the New York lawyers.

It is not known just what amount of money Mrs. Smith will ask, but it will probably be larger than those who lost distant relatives. Mrs. Smith was on her honeymoon when her husband was drowned. The suits will allege carelessness on the part of the steamship company and other charges.

Mrs. Smith is at present in Washington, D. C., with Congressman and Mrs. Hughes. Mrs. Smith was one of the three Titanic brides to whom posthumous heirs were born.

William Rutherford, colored porter at the N. & W. depot, began work Friday cleaning the wall paper in the various rooms at police headquarters.

BUSY DAYS ON N. & W.

Freight traffic on the N. & W. continues very brisk. Forty-three coal trains passed through the city Thursday, bound for the Great Lakes. Each train had more than 50 cars of coal, so it can be seen the immense amount of black diamonds that are hauled west every day from the coal mines skirting the N. & W. from Williamson to Roanoke.

To Locate In West.

Clyde Odle and bride, nee Lily Cole, spent Wednesday night at the Washington hotel and left Thursday on a prospecting trip through the West. The former is a son of Druse Odle, of Turkey Creek, and the bride a daughter of Henry Cole, of Friendship.

Doubts Telegram

Editor Times—I noticed in Thursday evening's issue of the Times, a United Press dispatch from Boston, stating that W. D. Haywood had been recalled as a member of the National Executive committee of the Socialist party. I want to state that this is false, as the ballots on the recall do not reach the National office until February 26th. Therefore the results are not known.

That the press dispatch sent out was the work of the Berger machine who are middle class reformers and politicians, who are bitter against Haywood.

Columbus, O., Feb. 28.—Automobile owners who are fighting the administration bill to increase the automobile license fee, declare that the measure, if made a law, will compel them to pay $1,000,000 annually, or about three times the amount paid now. They claim that the new bill will impose double taxation on them. The measure purposes assessing motorcycles, now exempt, $3.00 a year; increasing electric from $3.00 to $5.00, and providing a schedule of rates of from $5.00 to $25.00 for all other automobiles, the horse-power to determine the assessment. The owners of Cuyahoga county are putting up the most vigorous opposition to the bill. They declare that one-fourth of the proposed increase will come from them. They intimate that if the measure becomes a law they will try to have it declared unconstitutional. Governor Cox frankly told the objectors of the measure that its purpose was to secure increased revenues for the state. He also asserted that a majority of the owners of automobiles favor the bill.

On Monday a commission appointed by Superintendent of Public Works William H. Miller will start an investigation at Celina to ascertain if land owners around Lake Mercer have been damaged by high waters of this reservoir. Since 1840, when this reservoir was constructed, damage claims have been a fruitful source of trouble, and the state has often been compelled to pay large sums as a result. It is common talk in Mercer county that the lands adjacent to the reservoir are the best in the state, because in the dry season they can be farmed with profit and in the wet season an equally good return can be secured by the filing of a damage suit against the state. Superintendent Miller believes that many of these claims should not be paid, and he hopes to get evidence through the commission to settle for all time the perennial claims against the state.

If the legislature will heed the recommendation of the special committee which has been investigating the project, an appropriation will be made to establish a state office building in which to house the numerous state departments which have quarters away from the state and pay annual rentals aggregating $50,000. Next week the committee will give consideration to the securing of prospective sites. The new departments to be created by the legislature will increase the demand for room.

The Hass bill to create an industrial commission passed the senate Thursday afternoon, and now goes to the house. This measure places these departments under the jurisdiction and control of the commission; state shop inspector, state labor commissioner, state mine inspector, state examiner of engineers, state inspector of boilers, state board of arbitration and state liability board of awards. The commission will consist of three members, each to draw $5,000 or $6,000 a year. The commission will be largest of the state departments. It is probable that a representative of labor will be made one of the commissioners.

The Columbus Securities Company, an outgrowth of the Columbus Casualty Company, which was organized some seven years ago and in which stock was sold to prominent citizens in many counties of the state, notably in eastern Ohio, is now the subject of receivership proceedings at Indianapolis. O. E. Furzar, formerly of Columbus, Frank R. Shinn, Tod B. Galloway, of Columbus, are among those interested in the company named as defendants in the suit. It is said that the grand jury will investigate the affairs of the company and indictments may be brought. It is alleged that high finance has been playing a prominent part in the methods of the concern. Some three or four years ago the state insurance commissioner ordered the original company to make good an impairment of its capital, and this resulted in the organization of the new company to take over the first one.

The sale of the 12-story building of the defunct Columbus Savings and Trust Company bank did not take place Thursday as was expected. Upon request of D. H. Sowers, the liquidating agent of the bank, the common pleas court, continued the sale of L. G. Neely, of St. Mary's, made a bid of something over $700,000 for the property, but a larger bid has been made, and for this reason more time has been asked by the receiver. The stockholders of the defunct bank think that the bank should bring at least $900,000.

Mark Slater, former state printer, was released from the penitentiary Friday, upon completion of his four-year sentence for rendering false vouchers to the state.

Says That We Are Slow

The Lucasville Gazette says:

"A reporter on the Portsmouth Daily Times had quite a spread last week, telling of the first robin. Gee! but he's slow! The redbreasts have been gaily singing in and around Lucasville since the first of January. It may be that the robins know a good thing and come to Lucasville several moons before they think of singing their merry songs for the benefit of our sleepy suburban cousins down in the Peerless."

BROTHER HURT IN ACCIDENT ON C. & O.

Miss Pearl Wilson of No. 2001 Seventh street, who is employed as first cook at the R. R. Y. M. C. A. building, received word Thursday evening that her brother, George Wilson, aged 31 years, had been badly hurt by a train at Huntington, W. Va.

The message gave no particulars further than that the young man was now in a hospital at Huntington. The sister left for his bedside Friday noon. He was employed in the C. & O. yards at Huntington and it is thought met with the accident while in the performance of his duties. He is married, having a wife and two children. He is a son of Louis Wilson, postmaster and merchant of Olive Hill, Ky., and grandson of Perry Cains, retired citizen of Fullerton. Previous to taking up railroad work the young man was employed as cashier of the First National bank at Olive Hill. Will Berry, of South Portsmouth, who is the C. & O. agent at Olive Hill, is a brother-in-law.

CALLENDER FINED FOR FIGHTING

Huntington, W. Va., Feb. 28.—E. Callender, the young shoe worker and alleged ex-pugilist, who assaulted Charles Blanchard in a fight occurring a few days ago at a local shoe factory, was fined $50 by 'Squire Rogers yesterday. The fine was paid and Callender released with some good advice from the court.

Callender came here from Portsmouth and is a capable young man. His assault on Blanchard was due to a mistake. A crowd of young men was passing by Callender and a girl friend, and some one in the crowd, whom Callander thought was Blanchard, made an insulting remark that was taken up when Callender later met Blanchard, who was innocent of the affair. He was unconscious for twelve hours and lost three teeth in the battle.

On the way to the jail, after conviction, Callender told Officer Chas. Watts that he could whip three men like him with the handcuffs on his wrists. Watts, who is known as the "Fighting Killowat" of the police force, and who has whipped men almost twice his size in a rough and tumble, told Callender that if he wanted to look at it that way, just to consider him as without badge or mace and light in; that several others had thought the same thing, but changed their mind. Callender did not tackle the job.

Love Bug Stings Two.

Rumor has it that two of Portsmouth's best known young men have fallen victim to Cupid's darts. They do say that John Evans, popular shoeworker, has been making daily visits to New Boston. Clifford, better known as "Red" Stewart, bartender at the Tippecanoe cafe, is said to be the other victim.

Changes In Phone Manager

The concentration policy of the Bell Telephone Co. has resulted in the abolishment of a resident manager for the Bell company's interests in Portsmouth, and hereafter the local office will be in charge of W. E. Putnam, manager of the Ironton exchange. Mr. Putnam will retain his residence at Ironton and make occasional trips to the local exchange.

Edward Kean, who has been successfully acting as manager of the local Bell exchange for the past 14 months, has been offered the option of a position elsewhere in the Bell service, or of remaining here as collector. He will likely decide to remain in Portsmouth.

THEATRICAL

March 6—"Madame Sherry."
March 7—"Servant in the House."
March 15—"The Spring Maid."
March 24—"Three Twins."

"Spring Maid."

Werba and Luescher's dainty operatic success, "The Spring Maid," announced for performances at the Grand on March 15, has broken all records for popularity during the past two seasons. Last year, each of the three companies playing this bubbling operetta, presented it to capacity houses from coast to coast. The company to be seen here is the same star organization with Gene Launeska, the prima donna, who scored so pronounced a triumph as the saucy Princess since her first performance in New York.

At The Sun.

Three large audiences witnessed the opening performances at the New Sun theatre yesterday afternoon and evening, and pronounced by all the best bill of the season. Fred Reeb, the German comedian, with his parodies and something new in the way of monologue, made a good opening number. A clever sketch by Somers and Storke, entitled "Jackson's Honeymoon," introducing some very clever comedy and complicated situations. Miss Edith Ward is truly a delightful singer and storyteller, which carried her audience from start to finish. Her baseball song made a home run with the fans. The Gus Sun musical comedy, "The Musical Conservatory," presented by a company of comedians. Happy Golden, Dick Duffy and the musical Brittons is by far the best comedy presented here this season and carried the house by storm. A good reel of pictures by the Sunscope concluded one of the all-star bills of the season.

SOCIAL NEWS

A beautifully and unusually interesting ceremony took place on Wednesday, at St. Paul's church, beyond Sciotoville, when the double wedding of Mr. Ross Mahaffey and Miss Laura Sieling, daughter of Mrs William Sieling, of Dixon's Mills, and Mr. Otto Sieling, son of Mrs. Sieling, and Miss Cora Graff, of Haverhill, took place. Rev. J. Pfleger, pastor of the church, officiated and Miss Pearl Rigrish presided at the organ, playing a triumphal march as the procession passed up the aisle. Miss Sieling was lovely in a gown of silk embroidered net over white satin, and Miss Graff was equally charming in a costume of exquisitely embroidered silk mull. Each bride carried a bouquet of white carnations and wore bride's roses in their hair. The church was crowded with relatives and friends of the contracting parties. Following the ceremony a bountiful dinner was served at the home of Mrs. Sieling, the following guests partaking: Mr. Smith Graff, Mr. and Mrs. Ray Mahaffey and family, of Wheelersburg; Mr. and Mrs. Fred Duvendeck and family, and Mr. and Mrs. Harry Asche and family, of Sciotoville; Mr. and Mrs. Alfred Peach, George and Elsie Shumway, Mrs. Caroline Brisker, Mr. Harry Graff, Mr. Fred Brisker, Misses Julia Graff and Pearl Rigrish. Mrs. James Appel, of Clifford, entertained with an all-day sewing party yesterday at her home for her sister, Mrs. Charles Appel. The hostess served a delicious turkey dinner at the noon hour, after which the guests engaged in sewing on household linens for Mrs. Charles Appel, whose residence was completely destroyed by fire two months ago. Mrs. Appel's guests included Mrs. David Appel and Mrs. Brehmer, of Davis Station, Mrs. Joseph Braun, Mrs. Purdy and Mrs. Joseph Appel of Lucasville; Mrs. Abe Miller, of Wakefield and Mrs. T. C. The board of directors of the Y. W. C. A. met in business session at two o'clock Thursday afternoon, at the Association building. Among the several business transactions, the board extended a call to Miss Polly Perkins, a graduate of Syracuse University, Syracuse, N. Y., to come to the Y. W. C. A. as assistant secretary. Besides assisting with the office work, Miss Perkins will coach the basket-ball teams. At three o'clock the other committees of the Y. W. C. A. met with the board, when plans were discussed for the cooking class, to be conducted by Mrs. W. A. Johnson, of Portsmouth, under the auspices of the Y. W. C. A. The course includes six lessons, and will be given during the week of March 10 to 15, the place to be decided later. Mrs. Johnson is well known to a number of Portsmouth women, having conducted a class in cooking at the Second Presbyterian church several years ago, when she gave excellent satisfaction. Mrs. Johnson's work is always improving, as she studies constantly, and during the summer season conducts a class in domestic science in Bay View, Michigan. Mrs. S. D. Ruggles recently received a letter from Mrs. E. N. Alger, of Huntington, W. Va., in which she recommends Mrs. Johnson most highly to the Portsmouth women, mentioning that her work in Huntington gave splendid satisfaction. The lessons will be from 2:30 to 4:30 o'clock in the afternoon of each day of the course.

A SENSIBLE WAY TO CURE A COLD CLEAR HEAD AND STOP CATARRH

No Stomach Dosing, No Quinine or Acetanalid and No Waiting For Results

Here is a simple, harmless effective treatment for Colds, Croup, Catarrh, Hay Fever, and all diseases and stoppages of the air passages that will appeal to everyone.

Nearly everyone suffers more or less with Colds and Catarrh in some form, and all need the Nostriola Treatment.

The nostrils and the air passages are the breeding places for Catarrh germs. When the membranes are sore, inflamed and sensitive, you catch cold easily, and colds quickly lead to Catarrh, etc.

The Quickest way to cure Colds and prevent Catarrh is to apply the Nostriola Treatment direct to the seat of the trouble and destroy the Catarrhal germ before it has time to do harm.

The Nostriola Treatment prevents as well as cures Colds, Croup and Catarrh. It quickly reaches and heals the sore inflamed mucous membranes, destroys the Catarrhal germ, and not only breaks a cold in a few hours, but this simple treatment strengthens the linings of the air passages, so that they are able to throw off colds.

Nostriola is sold in handy sanitary tubes, 25c for sixty days' treatment. Get a tube of your druggist, and you'll wish you had tried Nostriola sooner.

STEVE ELLIOT AS POLICE CLERK

Steve Elliott, a well known East End shoeworker and gang lieutenant, as forecasted by the Times, has received the appointment of police clerk to succeed P. E. Roush.

Steve became an applicant for the place as soon as he learned of Roush's dismissal. It is said that he pressed his claim and right to the position in such vigorous fashion that Mayor Fred X. Tynes had no other alternative than name him his clerk, and so, after today, Steve will decorate the big easy chair of the desk at headquarters. Steve is a laster by occupation, and for years worked at the Selby shoe factory. In recent years he has been in the employ of the Irving Drew Company.

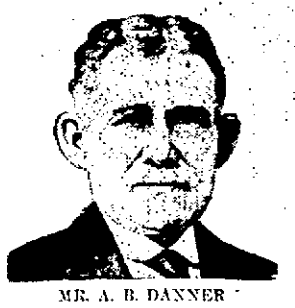
One–Night Relief for Constipation

A Small Dose on Retiring and You Are Well and Happy By Morning

It is only natural that the simplest of ailments should be the most general, and so we have a whole nation suffering from constipation and indigestion, for they are closely allied. But common as constipation is, many people do not seem to know they have it. They will complain of headache, drowsiness or biliousness, all unconscious of the cause of the trouble.

You should have a full and free movement at least once a day. If you pass a day you are constipated, and the result will be that you will catch a cold easily or have a more serious ailment. To cure the constipation and forestall still graver trouble, take a dose of Dr. Caldwell's Syrup Pepsin at night before retiring and by morning relief will come without disturbance from sleep or any inconvenience.

Legions of people use it regularly in such emergencies, some of them formerly chronic invalids who have suffered from constipation all their lives. Mr. A. B. Danner, 326 Riley St., Harrisburg, Pa., says: "Dr. Caldwell's Syrup Pepsin gave me almost instant relief from stomach and bowel trouble. I now eat anything I want and sleep well." Many others will tell you that they have tried most things recommended for this purpose but have found Syrup Pepsin the only one always reliable.



MR. A. B. DANNER

A bottle can be obtained at any drug store for fifty cents or one dollar, the latter size being bought by families already familiar with its merits.

Syrup Pepsin is mild, pleasant-tasting and non-griping. Mothers give it to tiny infants, and yet it is effective in grown-ups. It is for everyone who suffers from any form of stomach, liver or bowel trouble, constipation, dyspepsia, biliousness, etc. Its action will so delight you that you will forever avoid harsh cathartics, purgatives, pills and salts.

If no member of your family has ever used Syrup Pepsin and you would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postal will do—to Dr. W. B. Caldwell, 447 Washington St., Monticello, Ill., and a free sample bottle will be mailed you.

Who Will Be Postmaster?

Speculation is increasing among South Portsmouth citizens as to the probable successor of Thomas Nickel as postmaster of that village. It is said that with few exceptions all of those who have already announced themselves as applicants for the vacancy are Socialists and that available Democrats are mighty scarce in the village.

Talk is already heard of applicants circulating petitions in support of their candidacies, while certain citizens are also openly threatening to oppose the appointment of a Socialist. Congressman Fields may be invited to visit the village so that he can get a line on the situation.

Bicycle thieves were abroad again Thursday evening and caused the police considerable worry. The first wheel stolen belonged to Harry Flowers, shoeworker of No. 1665 Front street. It was stolen from in front of a place on Chillicothe street. Later it was found resting against a billboard on Gallia street above Offnere by Officer Charles Bard.

A bicycle belonging to Vincent Dunham, a meat cutter of No. 819 Fourth street, was stolen from Gay and Gallia streets, but was later found by Officer Spicer. Wheels belonging to Druggist James Hager and Grocer Frank W. Jansen, of Gallia street, were also stolen and no trace of them could be found. A sneak thief also entered a stable at the home of John Evans, a shoeworker, and removed a rear wheel from his bicycle.

Insanity Plea Made For Walter Chinn

The examining trial of Walter Chinn, aged 32, charged with first degree murder, was suddenly interrupted in Judge J. Walt Womack's court at Greenup, Ky., Thursday, when the defense set up the claim that he was insane.

Judge Womack ordered a postponement of the trial and instructed the sheriff to summon a jury and report next Wednesday as to Chinn's insanity, County Attorney W. T. Cole concurring in the action taken.

Chinn is the young man who, a week ago today, tried to shoot up the town of Russell, Ky. Bud Vaughn, who went to the rescue of a woman at whom Chinn twice fired his Winchester rifle, was shot through the stomach, dying two days later. Others had narrow escapes before Chinn was finally overpowered near his native home in Chinnville. Chinn had come to Russell with a truck wagon and before beginning the return trip home secured an axe and chopped down the door of John Thorpe's store and loaded his wagon with goods. He threatened to shoot Thorpe if he interfered. He caught sight of a golden-haired young woman whom he mistook for an attendant he had known at the Lexington insane asylum and without warning opened fire on her. She ran out a rear door of the store and gave the alarm. He was captured by a posse but managed to escape. Vaughn and several others finally ran him down again and in the struggle Vaughn was mortally wounded.

Much criticism is heard throughout Greenup county of the state authorities for having allowed Chinn to remain at large, he having been adjudged insane four or five times, and though he always escaped from the Lexington institution, no effort was made to return him. The first time he escaped was about four years ago. His brother, Orville D. Chinn, a prominent storekeeper of New Boston, learning of his presence in Ashland, Ky., caused his arrest and return to Lexington. About a year ago a jury adjudged Chinn as sane, and since then he has been conducting a truck garden. Talk is already heard of damage suits against the commonwealth growing out of the killing of Vaughn. Former County Attorney E. E. Fullerton has been retained to defend Chinn.

The new 10 per cent increase in salaries given by the C. & O. to all its clerks drawing less than $150 per month will affect at least eight of the local employes. "Three hundred new members during the month of March" is the slogan of the local chapter of the A. I. U. Deputy Sidney J. Bash, at the regular meeting Thursday night, submitted a proposition whereby this number of new members can be secured by the members of the chapter.

At the close of the business session, the members attended the indoor fair held in the Miller building. The fair was given under the auspices of the Social club and the social committee. Music was furnished during the evening by the Girls Trio. The voting contest conducted for the most popular lady member of the order was won by Miss Marjorie Stegler over Miss Winona Blair, by three votes, and she was awarded the large cake. Both financially and socially the fair was a decided success.

Manly Methodist

Although weary in body because of the four weeks' continuous revival services held at Manly, a fair sized crowd attended the Thursday night service. Rev. Hopper, pastor of the United Brethren church, preached the sermon of the evening, using as a text a part of the ninth verse of the third chapter of Hebrew. "The Holy Ghost saith today." He gave plain and logical reasons, setting forth that today is the day of salvation.

He said we should accept Christ today, because He brings peace to a tormenting conscience; because He brings a joy that is unspeakable and full of glory; He brings deliverance from sin; He brings beauty of character. The sooner we accept the richer will be our reward. If we do not come today we may never come at all; and because this may be the last opportunity, for you may so harden your heart that you may never want to come again.

He earnestly pleaded that the unsaved say with the Holy Ghost, "Today," and accept Christ. Five persons came to the altar of prayer and three united with the church.

Rev. Hart will preach on Friday night, using as his subject, "Tears."

LOCAL MAN GOT DAMAGES

George Cole, the former Portsmouth barber, who arrived here from Cincinnati Thursday, for a visit, was one of the victims of the recent Central bridge accident there, and just received $3,500 damages for injuries he sustained.

Cole's right hand and wrist were fractured, and he was otherwise injured when he went over the bridge on a street car that left the track and tumbled to the street below. He has been unable to work since and has to engage a man to manage his barber shop on Fifth street. The company also defrayed all expenses of his hospital care and medical treatment.

Cole formerly operated a shop in the old Dr. Lottridge property on Second street, and for a time worked for Roy McElhaney and also the late John W. Morris. He was accompanied here by his sister, Mrs. Jennie Arakes, who has decided to adopt George's little daughter, who has been with relatives at New Boston since he and wife were divorced. George's son will remain here. He fitted up his children with entirely new outfits Thursday.

Says Boston Culture Is No Myth At All

"The best dressed men in the East are in New York, and the most intelligent, cultured, hustling ones, are in Boston, and surrounding smaller cities," is the opinion of Simon Lehman, of the firm of M. Lehman & Bro. He and his father, Mr. M. Lehman, have just returned from an extensive trip through the east, during which they purchased shoes and clothing for their store.

"In New York the people on the streets were well dressed and virtually all wore stiff hats," said Mr. Lehman. If you had any other kind, people would stare at you. But in Boston you can see all kinds of hats, caps, etc. I noticed, however, that the faces underneath the hats in Boston seemed brighter, more intelligent, than those in New York. The owners of the big factories in Massachusetts were all workers and hustlers, too. Wherever we went we would find the president of the concern as busy as any employe, and they were all eager for business."

The big strike of garment workers in New York has badly demoralized conditions, and is driving many manufacturers from New York into Pennsylvania, Mr. Lehman says. They are opening branches, but still find it impossible to fill more than 25 per cent of orders. As the Lehman store does not buy of the plants that are affected by the strike, their shipments will not be delayed.

In shoes Mr. Lehman says tan and gun metal will be the favorites for men, and patent, tans, white and gun metal, in the order named for the ladies.

FISCAL COURT AT GREENUP

The The fiscal court of Greenup county, Ky., met Thursday at Greenup, and made a final settlement with the Ferris Bridge Company for the erection of the bridge over Brushy Fork.

The first contract made with the bridge company was $5,500, but before the bridge was completed there was a bad washout, which necessitated a deeper excavation, entailing an added expense. The entire cost of the bridge was $7,011.34.

Legislation For Paving

City Engineer Samuel Harper said Friday that legislation would be introduced at the next meeting of city council for more street and sidewalk improvements. An ordinance will be introduced for the paving of Madison street from Front to Third streets, and Third street from Madison to Jefferson. These are the two only unpaved streets in the West End save the one square on Washington between Front and Second streets, which was let last fall and will be improved in the spring. Ordinances will also be introduced authorizing the laying of uniform sidewalks on Third, Fourth, Seventh and Eighth streets downtown, and Fifth, Sixth, Seventh and Eighth streets east of Offnere and on Market, Court, Washington and other streets running north and south.

C. & O. DETECTIVES ARE AFTER COAL STEALERS

Eight warrants were sworn out in 'Squire J. N. Brickey's court Thursday for Kentucky residents who are charged with stealing coal from the C. & O. Railroad Company.

The warrants were placed in the hands of C. & O. Detective S. I. Walden, of Covington, Ky.; Detective Rice, of Russell, and Constable Green Lawson, of Fullerton. Evidently a "tip" had been given to the accused parties, as they were not to be found when the officers went in search for them.

For some time the C. & O. has complained of the great amount of coal that is stolen between Frost and Tygart, Ky., and the detectives have been at work on the case for several days. They expect to land the guilty parties and make it "warm" for them.

New Bill May Mean Much to Portsmouth

City Solicitor Stanley McCall is in receipt of a copy of house bill No. 448, sent to him by Representative Adam Frick. The bill, of which Representative Bishop, of Akron, is the author, would authorize municipalities to condemn rights of way in neighboring villages for aqueduct water mains, etc. This settles all doubt as to the rights of Portsmouth to secure a right of way through New Boston for the new water works pipe line provided the bill passes the legislature. The city of Akron has a similar fight on with a neighboring village.

"Too Much Politics" Is Cause Of Insanity

Too much politics is attributed as the cause of the insanity of Silas Allen, a well known resident, of Sciotoville, who was taken into custody at Sciotoville Thursday afternoon on an affidavit filed in probate court by relatives. When captured Allen was found to have an ugly looking revolver secreted about his person.

It seems that Allen recently espoused the cause of Socialism. He talked it night and day. Members of the family are alleged to have heard politics for breakfast dinner and supper until they became almost frantic.

Allen is laboring under the hallucination that the United States government is going to the bowwows. Another mania which is attendant on his mental unbalance is his antipathy for mad dogs. Every canine he sees he imagines has the rabies. It is for the purpose of wiping the dog family off the map that Allen claims he was carrying the gun.

Allen is about 53 years of age, is married and has a large family.

Hearing of the lunacy charge against him will be held in probate court Saturday.

Piatt Keeps On the Job

Wiley Piatt, the former well known ball player, is not loafing on his new job as deputy game warden, as is attested by the fact that he caused the arrest of three Adams countians Thursday for alleged violations of the state game laws. Several other arrests have also been made by this hustling deputy.

Piatt spent Thursday night in Portsmouth as the guest of W. A. Kates, his old side partner. Piatt is enjoying the best of health and is looking better than he has in years.

Eagles Had Meeting

FRECKLES

February and March Worst Months for this Trouble—How to Remove Easily.

There's a reason why nearly everybody freckles in February and March, but happily there is also a cure for these ugly blemishes, and no one need stay freckled.

Simply get one ounce of othine, double strength, from Fisher & Streich and apply a little of it at night, and in the morning you should see that even the worst freckles have begun to disappear, while the light ones have vanished entirely. Now is the time to rid yourself of freckles, for if not removed now they will stay all summer, and spoil an otherwise beautiful complexion. Your money back if othine fails.

A HARD WINTER

For People In Poor Health

Winter with its sudden changes is particularly trying for old people, or those who suffer from a weakened, run-down condition, chronic coughs, colds or bronchitis, but if such persons would only apply common sense methods in the treatment of their condition, much discomfort and suffering might be avoided.

The most essential thing to do is to build up strength, enrich the blood, increase vital resistance and to accomplish this, nothing equals Vinol, our cod liver and iron tonic, without oil.

Mrs. H. Hartman, of Albany, N. Y., says: 'I was in a run-down condition for about five years until this spring, when I learned what a great tonic and strengthener Vinol is. It is certainly the best I have ever used and it has done wonders for me."

Old people, delicate children, run-down, overworked and tired women, those suffering from bronchitis, chronic coughs and colds should try a bottle of Vinol. We will return your money if it does not help you. —Frank Amann, Druggist, Market street, Portsmouth, Ohio.

P. S.—For Eczema of Scalp try our Saxo Salve. We guarantee it.

Too Much Cocaine, And Woman Almost Dies

Found unconscious in her room in the Emery Hotel in Cincinnati, Mrs. Gene Smith, formerly of this city, is in a dangerous condition due to an overdose of cocaine, it is said. Physicians say she will recover.

Mrs. Smith is well known here, having been employed in a local department store during the holidays. She has numerous relatives here and in South Portsmouth. According to Mrs. Smith's own statement she took an overdose of the drug accidentally. She has been addicted to its use since she underwent a delicate surgical operation, which was performed several months ago in Huntington. Mrs. Smith is a milliner and has held several positions here. Her mother resides two miles west of South Portsmouth.

Relative to the hotel incident the Enquirer of Thursday said:

Mrs. Gene Smith, of Huntington, W. Va., a guest of the Emery Hotel, was found in her room last night unconscious and apparently suffering from poison. The examining physicians diagnosed her case as cocainism. Late last night it was reported that she would recover.

Mrs. Smith was unable to talk regarding the case, but according to information received at the hospital she took an overdose of the drug accidentally. She registered at the Emery February 18.

Mrs. Smith several years ago married a C. & O. engineer, who is now said to be in South America. He was divorced by Mrs. Smith, who has been employed in Cincinnati for the past five weeks.

Relatives here claim that she suffers incessantly from her recent operation and that she has been compelled to use cocaine to get a little relief.

have been successfully fitted by our optical department. This is a great tribute to our skill, knowledge and care, for eyesight is the most precious of the senses. Being so, it is not to be entrusted to anyone but a competent and able refractionist.

We experience good success in handling industrial eye-strain, such as is developed by constant, close use of the eyes. Such eye-strain is all the more serious if neglected, and we urge you to bring your case to our attention at once.

Ordered To Infirmary

Mrs. Garner Dixon, a widow aged 20 years, was warranted over to the county officials by the New Boston authorities Friday, and will be committed to the infirmary. Mrs. Dixon has been a resident of New Boston for the past eight years, and has been making her home with a sister-in-law, Mrs. Ira Dixon, but the latter is now afflicted with rheumatism and is no longer able to care for her. They came here originally from Dillsboro, Ind.

Effective Home Remedy for Tuberculosis

It is a serious matter when the lungs are affected. A trip away or to a sanatorium is not only expensive, but it involves separation from home and friends. Some are benefited, but few can safely return. Eckman's Alterative is effective for home treatment. For example:

234 S. Atlantic Ave., Haddonfield, N. J.

"Gentlemen: In the fall of 1906 I contracted a very severe cold, which settled on my lungs. At last I began to raise sputum, and my physician then told me I must go to California (immediately). At this time I was advised to take Eckman's Alterative. I stayed at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1906, I resumed my regular occupation, having gained 25 pounds, fully restored to health. It is now five years since my recovery has been effected, and I cannot praise Eckman's Alterative too highly. I have recommended it with excellent results."

(Signed) W. M. JATEM.

Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists

Contest The Will

There is a contest on among the surviving sons and daughters of the late Chas. White and Mrs. Ida Baker, named as sole beneficiary in the will, over the piece of property on Chillicothe street. Mrs. Jennie Austin, John White and Susan Flemming are making an effort to secure a share of the estate. Mrs. Baker, wife of Henry Baker, a local barber, is a niece of the decedent. She was bequeathed the property for reasons unknown to the sons and daughters, while the latter were completely ignored. The will was probated Friday in the local court.

Warrant Issued

General Roden swore out a warrant in Squire J. N. Brickey's court Thursday against "Herb" Jones, upon a charge of obtaining groceries and merchandise under false pretenses. The bill amounted to $5.35.

Jones and family moved from Fullerton to Olive Hill, Ky., and left behind him several bills and also furniture which he had purchased from D. A. Alspaugh. The furniture bill amounted to $55. Mr. Alspaugh's representatives went to Kentucky after the furniture Thursday.

Catamount Chicken Thief Was Killed

John G. Harris lives back of the Two Mile hill. He and his wife and two children occupy a small cottage. For several weeks, one by one, their chickens have disappeared. They set traps for the thief, who always evaded them.

Thursday night Harris heard a noise in his hennery. Grabbing his shotgun he stealthily crept to the door of the hen house. Suddenly a large grey-striped animal emerged with a squawking chicken in its claws. Bang! The shot brought down the thief and his prey. A lantern was secured and the thief proved to be none other than an exceedingly large-sized catamount. Harris brought it to the city today and exhibited the animal to his friends. It weighed 14 pounds.

JONES SAYS HE MEANS TO MAKE GOOD NOW

John E. Jones, one of the three alleged car robbers let out on a suspended sentence by Judge Thomas, wants it publicly stated that he means to redeem himself from the disgrace he brought upon himself in a drunken spree and regain the fair reputation he had established.

As a start he has resolved to drink no more and will try to get employment with the railway, for which he was assistant yardmaster, and remain right here in Portsmouth, if he can. So generously and sympathetically has he been treated here by many that he wants to show them and the local public that he can and will make good again.

Especially does he feel grateful to Sheriff and Mrs. Eckhart. During his incarceration he came quite near to dying from illness, and these two could not have shown him better and kinder care than if he were their own brother.

Jones insists he and his party did not break into the car. Half crazy with liquor they found the goods on the ground and took them. After they sobered up they did not have sense enough to return them and make a clean breast of it.

Mr L. W. Goodman To Run The Style Shop

A change in the management of the Style Shop, located in the Haldeman building at Fifth and Chillicothe streets, was announced Friday. Archie W. Goodman has withdrawn from the firm to engage in business for himself in Binghampton, N. Y. His successor is L. W. Goodman, who has been in the local firm.

Mr. Goodman understands all branches of the business, and it will be carried on as heretofore. No change in the present policy will be made, and the firm's extensive business will go right along as usual. Mr. Goodman will engage the services of an all around clever dry goods man to assist him, and he will continue to carry everything right up to the minute in his line of business.

A. W. Goodman, while East recently, learned of a good business venture that was open in Binghampton, and after looking the situation over, he decided to make the change, and upon his arrival, handed in his resignation to Goodman Bros. & Company, who operate the Style Shop. It was accepted at a meeting of the officials of the company Thursday night, and L. W. Goodman was unanimously chosen as his successor.

REV. TAUBMAN GOES TO TULSA

The many friends of Rev. Geo. P. Taubman, for many years pastor of the First Christian church of this city, but who has been filling a pastorate at Kansas City for the past five years, will be interested to know that he has accepted a call to the First Christian church at Tulsa, Okla., one of the strongest church organizations in the west. He will fill the pulpit next Sunday, and has already made arrangements to move his family to Tulsa.

Rev. Taubman is one of the strongest pulpit orators in the country and has a host of friends here who will wish him all sorts of success in his new field. It was he who planned and saw fulfilled the erection of the big addition to the church building, corner of Third and Gay streets.

Rev. Crayton S. Brooks, present minister at the First church, received two calls to the Oklahoma church, but he is so well situated here and the church is growing so rapidly under his ministry that he refused to accept the call. The salary is $2500 per year. Revs. Taubman and Brooks were students together at the Lexington Bible college and are warm personal friends.

COLUMBIA HAS TREATS COMING

A great treat is in store for the Columbia patrons both for Friday night and Saturday. Special features will be shown, and some of the best moving picture actors in the business will be seen. Tonight "The Higher Duty" and "Odd Knotts" will be shown.

The first one is a drama, depicting high social life in an intensely interesting way. The play is magnificently staged and the principal character is taken by Arthur Johnson, a favorite with "movie" devotees.

The second is a comedy, rich in clever climaxes, and a happy ending.

Saturday will be another big feature event. The three-reel film will be "The Ways of Destiny," which is a beautiful hand-colored Pathe, telling a most interesting story. It will be one of the best features shown this year at the Columbia.

Have Color in Your Cheeks —Be Better Looking— Try Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—a bad taste in your mouth—a lazy, no-good-feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

These Olive Tablets oil the bowels—yet have no oily taste. They are a vegetable compound mixed with olive oil.

If you want a clear pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause. Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after-effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box.

"Every little Olive Tablet has a movement all its own." Take one or two nightly and note the pleasing results.

The Olive Tablet Company, Columbus, Ohio.

Sale Was Succes

The special mattress sale conducted by the Hansen Furniture Company, exceeded all expectations. The entire supply was sold out before 9 o'clock Friday morning and another car load was immediately telegraphed for.

SHORTY WAS ABSENT

When the name of "Shorty" Sheets resounded through the clerk's office, the common pleas court room and the corridors of the courthouse Friday morning, there was no response. "Shorty" had been summoned to appear before the grand jury in the Jack Wooten murder case. But Mr. Sheets failed to show up and it is understood that he has located across the border in Kentucky.

Mrs. Lyda Sheets, his wife, appeared before the grand jury and drew her witness fee. It was in the Sheets boarding house at 745 Seventh street that the double killing was enacted on Saturday night, February 15. The Sheets family has since abandoned the house.

Campaign For Money

At a meeting of the board of deacons of the First Christian Christian church, held Thursday evening, it was decided to conduct a financial campaign beginning the week of March 10.

Will See Inaugural.

Herbert Pugh, shoeworker, left Friday afternoon for Washington, D. C., to visit his brother, Robert, who for the past few years has been a patient in a government hospital there. He will remain until after President-elect Woodrow Wilson's inauguration.

Mrs. Housewife—"I seem to do nothing but mend and darn all the time. Half the clothes are full of holes after a few washings."

Anty Drudge—"It's the boiling of your clothes in the wash that causes you all this work, dearie. Boiling weakens them and makes them soft, just as it does meat or vegetables. Use Fels-Naptha Soap in cool or lukewarm water, and the clothes will wear much longer."

Do you spend 52 days of the year bending over steaming suds rubbing hard on a washboard? Stop it. Fels-Naptha Soap will cut the time spent in washing at least half. It will cut out the boiling, the steaming suds, the hard rubbing.

Fels-Naptha Soap separates the dirt from clothes while soaking in cool or lukewarm water, so that a light rubbing and a simple rinsing will leave them clean and pure.

Look for the red and green wrapper.

Fixing Up Barber Shop

Manager Etzkorn of the Turley building barber shop, is repanneling his place of business in most artistic style. Mr. Etzkorn secured some bill posting lithographs from the managers of the Grand opera house, among them the divorce scene from "The Modern Eve," and scenes from "The Bohemian Girl," and other recent high class attractions, and they are making very beautiful wall decorations.

Do You Feel This Way?

- Do you feel all tired out?
- Do you sometimes think you just can't work away at your profession or trade any longer?
- Do you have a poor appetite, and lie awake at night unable to sleep?
- Are your nerves all gone, and your stomach too?
- Has ambition to forge ahead in the world left you?

If so, you might as well put a stop to your misery. You can do it if you will.

Dr. Pierce's Golden Medical Discovery

will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. It is a remedy originally prepared by Doctor R. V. Pierce. Medical advice is given free to all who wish to write for same. Great success has come from a wide experience and varied practice. Pierce's medicines are of known composition.

Questions of Life

Are fully and properly answered in The People's Common Sense Medical Adviser by R. V. Pierce, M. D. As a result of knowing the laws of health and nature, happy marriages are sure to follow. Ignorance leads to misery and ill-health. All the knowledge a young man or woman, wife or daughter should have, is contained in this big Home-Doctor Book containing 1008 pages with engravings and color plates, and bound in cloth. (Nearly 700,000 copies formerly sold for $1.50 each.) Is sent *Free* to any one sending 21 one-cent stamps to pay cost of wrapping and postage.

Address R. V. Pierce's Invalids Hotel Buffalo, N. Y.

Dr. Pierce says: "This tonic contains no alcohol to shrink up the red blood corpuscles; but, on the other hand, it increases their number and they become round and healthy. The experience of many is that it helps the human system in the constant manufacture of rich, red blood. It helps the stomach to assimilate or take up the proper elements from the food, thereby assisting digestion and curing dyspepsia, heart-burn and many uncomfortable symptoms, stops excessive tissue-waste in convalescence from fevers; for the run-down, anaemic, thin-blooded people, 'Discovery' is refreshing and vitalizing. Stick to this safe and sane remedy, and refuse all 'just as good' medicines. Nothing but Dr. Pierce's Golden Medical Discovery will do you half as much good."

It has been sold by druggists for over 40 years, in fluid form, at $1.00 per bottle, giving general satisfaction. It can now be had in tablet form, as modified by R. V. Pierce, M. D. Sold by medicine dealers or sent by mail on receipt of 50-cents in 1 cent stamps.

An invitation is extended by Dr. Pierce to every sick and ailing man or woman to consult the Faculty of the Invalids' Hotel at Buffalo, N. Y., by letter, entirely without cost.

CAUGHT WIFE AND MAN; KILLED MAN

Word has been received by Mr. and Mrs. Walter Bowman, 2543 Robinson avenue of a killing that occurred at Roanoke, Va., that in some respects is similar to the crimes committed by Jack Wooten, who shot and killed Lot McCumber and his soul mate, Mrs. Jack Wooten two weeks ago, in this city.

According to information received by Mr. and Mrs. Bowman, A. M. Dillman, an N. & W. painter, who is well known in this city, returned to his home in Roanoke the first of this week, and found a boarder, George Joyce, in bed with his wife. Dillman was armed, as he had long expected that intimacy existed between his wife and Joyce. The latter, however, jumped out of bed, and before Dillman had a chance to use his gun, the two men clinched. Dillman, however, managed to free himself and fired three shots into Joyce's body, who fell over dead.

Dillman then walked to police headquarters and gave himself up. His wife is in a serious condition owing to the shock. Dillman has a splendid reputation and it is thought the grand jury will not indict him. Joyce had been clerking in the Miller store, a concern that is freely patronized by N. & W. men. He was only recently divorced from his wife, who with her one child, is living in Danville, Ky., to which point the body of the slain man was shipped.

HAIR STOPS FALLING, DANDRUFF DISAPPEARS-25 CENT "DANDERINE"

Save your Hair! Beautify it! Invigorate your scalp! Danderine grows hair and we can prove it.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or a loose or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you will actually see new hair, fine and downy at first—yet—but really new hair—growing all over the scalp.

A little Danderine now will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove to yourself tonight—now—that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.

Has Moved.

Ben Rhodes, who has been conducting a grocery at Lawson street and Robinson avenue, has moved into the room recently vacated by Frowine Bros., on Ninth street and known as the Pick stand.

SCOUT MEDAL IS PRESENTED

The Boy Scouts met at the home of Scoutmaster M. H. F. Kinsey, Thursday night, and invested Scout Imboden Hudson with the first degree medal, the second scout to have passed the examination in Portsmouth. Scout Gerald Matthews was the first to have received the honor.

Second degree work was taken by Scouts George Kirberger, Curtis Ayres and Davis Williams.

Two tenderfoot scouts were initiated. They were Lowell Selby and Ruskin Nye.

Mrs. Jordan Injured

A mis-step on the rear porch at her home, 2105 Eighth street, caused Mrs. Albert Jordan to fall heavily to the ground below and sustained her receiving painful injuries. She was rendered unconscious by the fall, but fortunately no bones were broken. A physician was summoned, but found that outside of painful bruises she was not thought to be seriously injured.

Lester Eugene Brown, son of Mrs. Mary Brown, of 429 Boundary street, was admitted to the Hempstead hospital Friday for medical treatment.

DUCK SEASON WILL OPEN SATURDAY

The open season for hunting duck opens Saturday, and the following extracts from the game laws of Ohio will interest hunters:

"No person within this state shall catch, kill, injure, or pursue with such intent a rail, shore bird, plover, snipe, wild duck, wild goose, wild swan, coot or mud hen, except from the first day of March to the 20th day of April, both inclusive.

Nor shall any person catch, kill, or pursue with such intent any wild duck or other water fowl on Sunday or Monday of any week, or before sunrise or after sunset of any day wherein it shall be lawful to kill them.

Mill Man Injured

Jack Zornes, who is employed on mill No. 38 in the plant of the Portsmouth Steel Company, had his right arm badly burned and cut by a sheet of steel that kicked back on him last night. Zornes sustained a cut eight inches long and an artery was severed.

Ralph, 12-year-old son of Mr. And Mrs. John Weeks, of Findlay street, was stricken with appendicitis Thursday night and will probably submit to an operation.

Mr. Brooks To Travel

Rev. Crayton S. Brooks will leave next week on a week's tour of Kentucky, speaking in the principal churches in the interest of the Foreign Missionary society of Cincinnati, and of which he is one of the board of governors. His lectures will be illustrated by the use of stereopticon slides. Rev. Brooks will deliver this lecture at the First Christian church next Sunday evening, and no doubt a large crowd will be present.

Master Coleman Grimes, of Second street, who has been ill for some time, is slowly improving.

Lobster Club At Meeting

Joe Dill, colored saloon-keeper of Eleventh street, left Friday afternoon for Columbus, where he will attend a banquet to be given by the "Lobster Club," of which he is a member.
